# Research Methodologies

For our study on Global Tobacco Market, we have conducted comprehensive secondary research followed by an extensive primary research. In the process of secondary research, we have scrutinized industry documents, accessed from open sources, premium paid databases (Bloomberg, Thomson Reuters, Factiva) and our internal knowledge base. In the process of primary research, we have interviewed various industry experts across the value chain of the tobacco industry.

Market size of the actual period (2013-2017) has been evaluated on the basis of growth trends of the industry in the last five years, and confirming the findings through primary research. Annual reports of the companies are scanned to further validate the market size and to estimate the size of various other applications. Market sizing and growth in the forecast period (2018-2023) is estimated through revenue mapping, growth of new advance equipment and technology and historical growth pattern of the industry. All the relevant data points/ statistics in the forecast period are validated through relevant and reliable primary sources.

Report Focus: Global Tobacco Market.

- By Type (Factory Made Cigarettes, Fine Cut Tobacco, Making Your Own Cigarettes, Pipe Tobacco, Handmade Cigars, Machine Made Cigars)
- By Region (North America, Latin America, Europe, Asia Pacific, and ROW),
- By Country (U.S., Canada, UK, Germany, France, India, China, Japan)
- Company Coverage (PMI, JTI, BAT, Turning Point Brands, KT&G, etc.)

**Companies Contacted: ITC, etc.**
