Research Methodology

For our study on Global Travel Luggage Market, we have conducted comprehensive secondary research followed by an extensive primary research. In the process of secondary research, we have scrutinized industry documents, accessed from open sources, premium paid databases (Bloomberg, Thomson Reuters, Factiva) and our internal knowledge base. In the process of primary research, we have interviewed various industry experts across the value chain of Travel Luggage Market.

Market size of the actual period (2013-2017) has been evaluated on the basis of growth trends of the industry in the last five years, and confirming the findings through primary research. Annual reports of the companies are scanned to further validate the market size and to estimate the size of various other end-user sectors. Market sizing and growth in the forecast period (2018-2023) is estimated through product mapping, application in end-user industries, growth of allied sectors and historical growth pattern of the industry. All the relevant data points/ statistics in the forecast period are validated through relevant and reliable primary sources.

Report Focus: Travel Luggage Market

- By Price Point (Value & Mid, Premium, Luxury)
- By Distribution Channel (Specialty Stores, Departmental Stores, Internet Sales, Others)
- By Region (North America, Europe, Asia Pacific, ROW),
